Note 2: A request that will exceed the Exchange Visitor (J-1 visa) Program three-year limit, up to a maximum of six years, must be accompanied by a memorandum from the scientific director or the sponsor, through the ICD scientific director, with "good cause" justification for this special exception. *Only* individuals in NIH's J-1 program *prior* to March 19, 1993, may be extended for five years without "good cause" justification. If a sixth year is requested for these "grandparented" individuals, a "good cause" justification must be provided. All such requests must be approved by the Associate Director, Office of Intramural Research, OD, prior to submission to FIC/ISB. Extensions for "good cause" beyond the basic time

limitations must be approved by USIA *before* FIC can request an extension of stay. **Please add three months processing time to such requests.**

Note 3: The Exchange Visitor (J-1 visa) Program is limited to three years for "Research Scholars." This includes time in J-1 status prior to coming to NIH. If the individual is already in the U.S. in another J-1 program, have your ICD Key Contact consult your Fogarty Immigration Specialist to verify continued J-1 eligibility *before* submitting this request.

Answer all questions fully and accurately. Block numbers not discussed are self-explanatory. If any block does not apply, please write N/A.

8. **Name:** Do *not* use initials, even for middle names--the entire name must be spelled out.
10. **Date of birth:** Most countries indicate dates in a day/month/year format. Check the date provided and convert it to the month/day/year format, if necessary.
14. **Mailing address:** Current address to which documents should be mailed. Do not use an NIH location.
15. **Country of citizenship:** This may be different from the country of birth.
16. **Country of legal permanent residence:** Attach proof if different from country of birth and/or country of citizenship. If legal permanent resident of the U.S., attach copy of both sides of Alien Registration Card (Form I-551).

Note: Permanent Residents who are eligible for IRTA fellowships. All ICDs having an IRTA program should place Permanent Residents in that program rather than the NIH Supplemental Visiting Fellowship Program.
20. **Proposed stipend:** Stipend usually is based on years of relevant pre- and postdoctoral experience. Consult ICD Key Contact for stipend ranges.
22. **Outside funding institution:** Supply proof of funding on institution's letterhead for postdoctoral supplemental fellow to be sponsored under NIH's J-1 Exchange Visitor visa.
25. **Visa status:** e.g., J-1 Research Scholar, J-1 Student, F-1, Permanent Resident.
26. **Date of entry into the U.S.:** Indicate original date of entry into the U.S., and date stay expires. Also show any change of visa status that has occurred.

Note: *Attach copies of appropriate immigration documents for applicant and dependents, e.g., (a) all Forms I-94; (b) all USIA Forms IAP-66 for a J-1 visa holder; INS Form I-20 for an F-1 visa holder; (c) copies of those passport pages that show passport number, individual's photograph, name and date of birth, passport expiration date, and visa stamp.*
27. If the request requires OD/OIR approval, send directly to OD/OIR.

39. Describe the proposed research program: In addition to a description of the proposed research program, the general research area (e.g., genetics, biochemistry) must be provided. Use a continuation sheet if needed.

41. For MDs only. *The level of patient contact must be specified in advance, and may not be changed at any time during the award period. If incidental patient contact is anticipated, it must be requested at this time.*

(a) **No patient contact:** Self explanatory.

(b) **Incidental patient contact at any time while at NIH**

(for individual sponsored under the NIH J-1 Program):

Provide foreign scientist's ECFMG (Educational Commission for Foreign Medical Graduates) certificate number and date, and furnish a "Four-Point Memorandum," signed by the sponsor and approved by the ICD Scientific Director. The "**Four-Point Memorandum**" must address four critical points:

(1) that the program in which the foreign physician will participate is predominantly involved with observation, consultation, teaching, or research;

(2) that the individual's research program necessitates clinical contact with patients involved in the research--describe contact;

(3) the clinical privileges which are essential to carry out the research; and

(4) that the foreign physician (a) will not be given supervisory responsibilities nor final responsibility for the treatment or diagnosis of any patients, (b) that he or she will be supervised by a U.S. citizen or permanent resident who is licensed to practice in the state of _____ (or has a PHS waiver of that requirement), and (c) that he or she will receive no credit towards medical specialty certification.

Consult ICD Key Contact for further guidance.

Note: A Four-Point Memorandum is not required for renewal of award if there is no change in the program. If this is the case, specifically state so in Item 41.

42. Supply all information requested for dependents accompanying SF or traveling to U.S. separately. Furnish full name(s); do not use initials, even for middle names. Furnish passport information *only* if dependents are already in the U.S. Give approximate date(s) of travel for dependents traveling to the U.S. separately.

For further guidance, consult your ICD key contact.
